

Start: Community Medical Center Campus,

Course: Fort Missoula Rd, into Fort Missoula, Guardsman Lane to South Ave sidewalk, loop path in Fort Missoula Park, Community Medical Center Road to Campus and finish. Since the runners head out on Fort Missoula Road first, they will go into the entrance to Ronald McDonald and Watson's Children's Shelter and head to Park path between Watson's and the Ronald McDonald House, avoiding the tennis lot parking lots. They will be through the Historic Fort by 10:, with the majority out of the Fort Roads before 10 am. We plan to have a biker sweep the course at the end to ensure that no runner is left without a visible warning to anyone on the road. Course is coned off on the roads, managed by Potet.
