

Due to the ongoing COVID-19 pandemic, the guidelines of the CDC and local and state health officials, and the feedback from the permitting agencies (U.S. Forest Service and City of Missoula Parks & Recreation), we will not be able to conduct the 2020 Pengelly Double Dip and Bob Hayes Single Dip on Saturday, June 6th.

After carefully considering options and working with the U.S. Forest Service, Missoula Parks and Recreation, and the University of Montana, the 2020 races will be postponed to Saturday, August 15th. As runners ourselves, we understand the disappointment this will cause to our participants, as well as the impact this has on our sponsors.

All currently registered participants in the Pengelly Double Dip and Bob Hayes Single Dip will have three options:

Option 1

- **Remain in Event and Participate on New Date, August 15th**
 - Keep registration without changes and participate on the event's new date of Saturday, August 15th
 - Understand the postponement does not guarantee the event will take place on August 15th due to the following reasons:
 - Threat of heat, wildfire smoke, and/or wildfire prevention closures
 - Status of COVID-19 pandemic
 - Except as noted below, there will be no refunds or deferrals if the race is cancelled on August 15th ([click here](#) to see the RWM race cancellation policy)
 - If the August 15th date is cancelled due to restrictions related to the COVID-19 pandemic, participants will receive a 75% refund of their race entry fees

Option 2

- **75% Refund of Race Entry Fee**
 - You will be removed from the 2020 event
 - Includes 100% refund of optional add-on race shirt (\$12)
 - Excludes processing fees
 - Refunds will be processed after May 1st

Option 3

- **Donate Entry Fee to Run Wild Missoula**
 - You will be removed from the 2020 event
 - Includes 100% refund of optional add-on race shirt (\$12)
 - Run Wild Missoula produces the Pengelly Double Dip and Bob Hayes Single Dip and is a local, Missoula-based 501(c)(3) nonprofit. Your donation will help us to continue to meet our mission of promoting and supporting running and walking for people of all ages and abilities
 - You will be provided with a tax receipt letter for your charitable donation

All currently registered participants will have from 9:00 AM on Monday, April 20th through 11:59 PM Friday, May 1st to decide which of the three options they would like to choose. Once a decision has been submitted, it cannot be changed. If no decision is submitted by Friday, May 1st, the participant will remain in the race for August 15th. There will be no refunds if the race is cancelled on August 15th.

We still encourage you to get out and run - for both your physical and emotional health. But, as you train for this race and others, we do recommend that you follow the below guidelines. Remember, in these unique times of Coronavirus transmission, choosing to run with others is a choice that could have consequences for you, your running partners, your families, and your friends. Exercising solo is the best option right now for the health of all in the Missoula community.

- Run or walk solo (unless you are with someone who lives with you in your household)
- Remember to maintain appropriate social distancing - maintain at least 6-foot separation at all times
- No hugs, handshakes, high fives, or elbow bumps
- Wash your hands, or use hand sanitizer, before and after your run
- Sneeze or cough into a tissue, handkerchief, or the inside of your elbow
- Don't pose together for selfies
- If you feel any sign of sickness or illness, stay home
- If it seems too busy or crowded, considered running or walking somewhere else
