

COVID Guidelines for Run Wild Missoula's Run for the Luck of It

To participate in the Run for the Luck of It in-person 7-mile event, you must read and follow the below guidelines and protocols. These protocols have been established to keep our runners, staff, volunteers, partners, and community safe by preventing the spread of the COVID-19 virus. These protocols have been developed in coordination with the Missoula City County Health Department.

For the safety of all participants, staff, and volunteers, if you do not comply with these guidelines, you will be asked to leave the event and will be removed from any results listing.

During this time of COVID-19, there are inherent risks involved in participating in in-person races and events. While we are taking reasonable precautions, based on state and local guidelines, to provide a safe environment, we cannot guarantee the safety of all involved. If you are concerned about your personal safety, we would suggest that you forego our in-person activities and instead consider our virtual options.

Registration for this event is limited to Montana residents or students attending university/college in Montana.

Before the Event:
