

RUN WILD MISSOULA

Equipment Rental Agreement

Run Wild Missoula (RWM) is a nonprofit organization dedicated to the promotion of running and walking in the Missoula area. Part of RWM’s contribution to the community is making equipment from its inventory available for local races and events.

Use of RWM equipment by races and events is subject to the following:

- Rental Fees:
 - o \$25 for “standard” equipment (cones, garbage cans, safety vests, water coolers, runner on road signs, etc.)
 - o \$25 (each) for the manual timing clocks/stopwatches
 - o \$25 for the race (display) clock
 - A \$200 refundable deposit will also be assessed for the race (display) clock
- The rental fee payment shall be made in cash or by check (payable to Run Wild Missoula)
- The race (display) clock deposit shall be made by separate check (payable to Run Wild Missoula). This check shall be returned or destroyed upon satisfactory return of the clock.
- All equipment will be checked out to the event’s race director or their designee by the RWM Equipment Manager. The RWM Equipment Manager shall prepare an inventory of each item checked out to the event.
- It is the responsibility of the event’s race director or designee to coordinate equipment pick up and return times with the RWM Equipment Manager. Unless otherwise coordinated with the RWM Equipment Manager, all equipment should be returned to RWM within 5 days of the race.
- Equipment must be returned in the same condition as when checked out – including cleanliness. If any items are damaged or not returned, then the event is responsible for the cost of repair or replacement. For items of nominal value, repair or replacement costs may be waived by the RWM Executive Director on a case by case basis.
